Delphi Claim #1309
Case #05-44481

RE: Response to Ninth Omnibus Objection

KDS Controls has three shipments that were sold to Delphi Corporation and shipped to Delphi Mexico in El Paso Texas. These three invoices total \$3,768.00

Invoice 175736 – Attached copy of invoice, shipping documents and schedule from Delphi
Invoice 178136 – Attached copy of invoice, shipping documents and proof of delivery
Invoice 178921 – Attached copy of invoice, shipping documents and proof of deliver.

I am asking that these documents be reviewed and subsequently the remaining claim of \$3,768.00 be acknowledged as debt owed to KDS Controls Inc.
